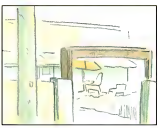
Ms. Polished

Ms. Tidy



Why are you here?
Cuz I wanted to check out Jin Woo's new board.
Then where is Jin Woo?
He's in the blue room with the Master.

Six Hours

How do you know Uri?

Udi?
That woman. The one who came in with you
Her name is Udi?
She has an Audi, so her name is Udi.
Mr. Okada
Come on, you guys...
Mr. Tanabe
Mr. Hori
You sold a board, right?
Huh? No.
Then whose board is this?
Mr. Hori
It's hers.
Mr. Terauchi

Why is it scraped?
Here and here, too!
Mr. Look back

I told you to take lessons first. You really don't listen, do you?

Where did you buy this board?

Mr Quiet
Mr Sigh

Well, wherever you bought it is no good...

Mr. Open
Hey, did you finish building the board?

No, I'll be done by next week.

This board belongs to her?

Yeah.

Mr. Look

When you surf without any knowledge of the sea, you get hurt and your board gets damaged.

And what if other people get hurt as well?!

After that, the man they called "Master" continued to scold me.
I'll fix the board.
Yes... Yes...
But get your wound treated and come back after you've learned the basics!

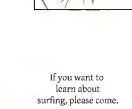
Then, they introduced me to a man named Jin Woo and told me to learn surfing from him...
He's one of the top 3 surfers in the country! He has the skills and the looks of a top instructor.
If you want to learn, I recommend Jin Woo's surfing school!

It pisses me off. Who are these guys? They're just kids fooling around.
Ms. Angry angry

Yeah, I think it would be good to have someone to talk about it with.
Too shoulders hurt over nothing.

They're really arrogant!
Ms. Sit down
Ms. Angry angry

This is my business card.



If you want to learn about surfing, please come.

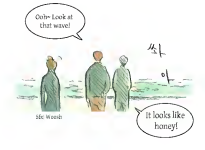
Mr. Tom
Mr. Shimp

We can ride more waves this way. Also, it's nice to to see the sun rise.
Do we really have to surf at dawn?
Didn't you know? Your skills get better when you surf at dawn.
Mr. Timd

Who told you that?
The Master!

Huh? It's Dau!.

Namaste.
Mr. Roo
Namaste.



Ooh~ Look at that wave!
Mr. Woosh
It looks like honey!
